

WHEN:

Sunday December 4, 2022

WHERE:

THE STAR Church
7400 London Avenue South
Birmingham, AL 35206

WHAT:

We are believing God for every STAR Member and STAR Partner to willingly give the largest financial end of the year gift that they can possibly give beyond their tithe through our church. We have already helped so many people this year in ways that include but are not limited to the following: paid \$30k in past due bills, \$31k gas give away in three cities, planted two new STAR Church Campuses in Pell City and Sylacauga, renovate our Sylacauga Campus, and so much more. Things like this and even more will continue to happen when you give through the church. Help us bless more people and do more of what we are already doing.

WHY:

Since our birthing in the summer of 1963, THE STAR Church has always been about helping our community. We are located in zip code 35206, which has been a high crime/ high poverty area. Though we do believe that the government and elected officials play a roll in uplifting the community, we are being the change that we want to see.

Our mission is two fold. We exist to know Christ and to make him known to the world, and we exist to help citizens in our area have access to a better quality of life on earth. For this reason, we are heavily involved in developing people through Community Development via education, financial literacy, workforce development, housing, recreation, and church

EDUCATION | HOUSING | WORKFORCE DEVELOPMENT:

Education:

It's easier to mold the mind of a child than to change the mind of an adult. Our education department; which includes our Early Childhood Development Center, 2 OSR Pre-K classrooms, and after school/ spring/ summer enrichment, is ran through the New Rising Star Community Support Corporation.

Housing:

We currently own several homes in our community, some of which we rent, and others of which we flip and sale for affordable income base housing.

Workforce Development:

Through education, housing, and other supportive services, we provide jobs to empower our community.

FINANCE:

www.starfcu.net

With all of the pay day lenders in our community, the NRS Community Development Federal Credit Union was started in 1996 as an option to pay day lending. We offer many of the same products and services that payday lenders offer; however, our interest rates are much more affordable.

For details about our church vision and what we believe, visit our website above.

We believe that when people act out, it's not because they are bad. It's because they are bored. For this reason, we built our 30k square foot Christian Family Life Center in 2003 as an outlet for our community.
